Personal Website: lpt295.github.io

Education

Ph.D. Applied Mathematics , Michigan State University	Expected May 2031
--	-------------------

M.S. Mathematics , Wake Forest University	May 2026
--	----------

Thesis: Phase Shaping of the Nonlinear Schrödinger Equation

Advisor: John Gemmer

B.S. Applied Mathematics , Fulbright University Vietnam	Jun 2024
--	----------

Awards

Wake Forest University

Graduate Assistantship

Fall 2024-Present

Graduate School of Arts and Sciences Dean's Scholarship

Fall 2024-Present

Research Interests

Applied Analysis, Functional Analysis, Nonlinear Analysis, Partial Differential Equations

Teaching Experiences

Wake Forest University

Teaching Assistant

- MTH 311/611: *Introductory Real Analysis*. Fall 25
- MTH 383/683: *The Real Line*. Summer 25
- MTH 111: *Calculus with Analytic Geometry I*. Fall 24
- MTH 106: *Calculus Foundations*. Spring 25
- MTH105L: *Precalculus Assessment Lab*. Fall 24, Spring 25, Fall 25

Tutor (Math and Stats Center)

- MTH 311/611: *Introductory Real Analysis*
- MTH 357/657: *Probability*
- MTH 113: *Multivariable Calculus*
- MTH 112: *Calculus with Analytic Geometry II*
- MTH 111: *Calculus with Analytic Geometry I*

Fulbright University Vietnam

Teaching Assistant

- ECON303: *Economics of Education*. Fall 24
- ECON210: *Giving and Effectiveness*. Fall 23
- ECON101: *Principles of Economics 1*. Fall 22, 24
- MTH104: *Multivariable Calculus*. Spring 24

- MTH101: *Calculus*. Fall 23
- CORE103: *Quantitative Reasoning*. Fall 21, Spring 22

Contributed Talks

1. Jan 2026 – Joint Mathematics Meeting, Washington, D.C. (*AMS Special Session on Nonlinear PDEs, Solitons, and Beyond: Analytical, Computational*)
2. Oct 2025 – 3rd UNCG Virtual PDE Conference, University of North Carolina Greensboro

Leadership Activities

1. Spring 25 – Mentored Sarah Bazil, Abby Friedman, Alanie Keith in MTH191: *Research Exploration in Mathematics*
2. 2020-2021 – Vice President of Fulbright STEM Club

Skills

1. Software: Python, R, SQL, Mathematica, MATLAB, $\text{\LaTeX}$
2. Languages: Vietnamese (native), English (proficient), French (basic)
